COMPANY OVERVIEW

Number 1 Freights is a South Africa-based logistics company founded in 2021 by Mr. Brighton Shapala. Headquartered in Cape Town, South Africa, the company was established with a clear focus on delivering reliable, efficient, and compliant transport solutions across the country.

From its inception, Number 1 Freights has been built on a commitment to operational excellence, safety, and customer satisfaction. We specialise in long-haul freight, fuel transportation, and flexible logistics services for both large-scale and smaller consignments. Supported by a modern fleet and experienced management, we ensure that every load is handled with professionalism, precision, and care.

Our nationwide reach, combined with a hands-on management approach, allows us to provide dependable logistics solutions tailored to the evolving needs of our clients across South Africa.

OUR MISSION

- ✓ To provide safe, reliable, and efficient logistics solutions across South Africa by delivering every load on time, in full, and in compliance with the highest industry standards.

OUR CORE VALUES

- ✓ **Reliability:** We honor our commitments and deliver consistent, dependable service.

Safety & Compliance: We prioritise the safety of our people, cargo, and the public while adhering to all regulatory requirements.

Integrity: We conduct business with honesty, transparency, and accountability.

OUR FLEET

Our fleet is strategically selected to support a wide range of logistics requirements, from heavy long-haul freight and fuel transportation to flexible distribution for smaller consignments.

As part of our growth strategy, No.1 Freights is expanding beyond freight logistics and will be introducing a luxury passenger coach service, with the first coach and several more to follow.

FUEL TANKER COMBINATION – SCANIA R460

- ✓ Our fuel tanker combination is dedicated to the safe and compliant transportation of fuel across South Africa. Operated in strict accordance with regulatory and safety standards, this unit supports commercial and industrial fuel supply chains with reliable long-haul performance. Safety, precision, and operational discipline are central to every fuel transport movement.

6-TON TRUCK – HINO 300

- ✓ The 6-ton Hino 300 is utilized for smaller and medium-sized loads requiring flexibility and efficiency. It is ideal for regional deliveries and lighter freight, offering a cost-effective solution without compromising reliability. Its agility allows No.1 Freights to service a wide range of cargo requirements across South Africa.

SUPERLINK TAUTLINER – SCANIA R460

- ✓ The Superlink Scania R460 is deployed for high-volume and long-haul loads requiring superior power and aerodynamics. It is optimized for cross-provincial routes and bulk freight, offering a high-performance solution without sacrificing driver comfort. Its power allows No.1 Logistics to conquer demanding terrains across South Africa.

WHY TRUST US

No.1 Freights is built on a foundation of compliance, safety, and operational discipline. Clients trust us because we combine licensed operations, proven safety practices, and a customer-focused approach to deliver dependable logistics solutions across South Africa.

- **Licences, Certifications & Accreditations:** No.1 Freights operates in accordance with all applicable South African transport regulations and holds the required contractor and transport-related licenses for freight and fuel logistics operations.
- **Safety Record:** Safety is a core operational priority at No.1 Freights. We implement structured safety procedures, regular vehicle inspections, and driver compliance monitoring to minimize risk and ensure consistent performance.
- **No.1 Logistics** is a CPIC-registered company, maintaining good standing with SARS for all tax compliance requirements and is fully insured with ONE Insurance for comprehensive liability coverage. Our commitment to regulatory adherence ensures complete peace of mind for every client partnership.

CASE STUDIES

SA Logistics – Regional Distribution Partner

SA Logistics, based in Tygervally, Cape Town, appointed No.1 Freights as a transport partner for the distribution of their commodities across the greater Cape Town area. The scope of work includes the transportation of books, consumables, products, packaging materials, and related goods to multiple delivery points.

Through this partnership, No.1 Freights has achieved an on-time delivery performance of approximately 99%, reinforcing our commitment to reliability, efficiency, and service excellence. This case study reflects our capability to support established logistics providers with dependable last-mile and regional distribution solutions.
